Hi—

I was at Union Springs to discuss some additional hydraulic testing at the Village supply well, and the mayor and the Village lawyer followed up with phone calls about EPA progress at the Cayuga Site. I have directed both inquiries to you. They want to be on the distribution list for the RI and any public comment. They also expressed interest in bringing suit against GE for their water-treatment costs.

Ed Trufant, Mayor, Village of Union Springs, NY 13160 (tel: 315-889-7341)

Michael Oropallo, Esq, Syracuse, NY (tel: 315-425-2831)
